STIPULATED CONSENT ORDER

The parties have conferred about the government documents referenced in Exhibit A, which the United States has produced to counsel for Defendants under the protective order entered in this case. Counsel for the United States has agreed that the specified documents may be used in a separate federal case raising the same underlying legal issues. The parties have further agreed as follows:

- (1) the government documents referenced in Exhibit A will be produced as confidential under the protective order entered in the other case;
- (2) counsel for Defendants will produce the documents to opposing counsel in the other case; and
- (3) the documents may be used in depositions of current and former Department of Education employees in the other case.

In addition, the parties have agreed that counsel for Defendants will notify the counsel for the United States which documents will be used during the trial of that other case.

Exhibit A comprises the parties' initial effort to identify documents. The parties will confer in writing about the use of any additional documents identified following the Court's entry of this

Order.
